

## Decorative lamps

Victory's decorative lightbulbs are based on antique bulb shapes to create a retro lighting effect. They emit a warm, feel-good, glow that works equally as well at home as in commercial situations such as restaurants and bars. They are available with conventional filaments, or energy-saving LEDs configured in filament shapes. For an extra warm look, some LED versions are available with a gold finish on the glass.

These lamps are often called "Squirrel Cage" due to the arrangement of wire filaments.

### Warm glow, plenty of atmosphere

- Filament versions for the genuine authentic look
- LED combines retro with modern energy-saving
- Gold finish option on LEDs
- All cap types

G125

ST64 - Pear

A60 - Classic

T45 - Tube

G95 - Globe

## Applications

- Theme lighting
- Hotels
- Period film sets
- Outdoor carriage lamps
- Restaurants
- Bars
- Dining rooms

## What's the difference?

*LED 'filaments' for energy saving*

*Conventional filaments for traditional look*

*Gold*

*Clear*
